

PRELIMINARY PROGRAM RSD6					
Wednesday	18th October 2017	Parallel 1	Parallel 2	Parallel 3	Parallel 4
8:00	Registration / Cafe				
8:30					
9:00	Opening session				
9:30	Keynote Lecture Richard Buchanan				
10:30	Cafe break				
11:00		Track 1: Democracy and design	Track 2: Public sector, policy design	Track 3: Theory and Methods	Track 4: Environment and sustainability
11:00	Parallel session presentation 1	David Kahane and Alex Ryan. <i>Designing more democratically, deliberating more systemically: A conversation between Systemic Design and Democratic Deliberation</i>	Kristin Støren Wigum. <i>Designing with municipalities – democracy in practice?</i>	Ben Sweeting. <i>Cybernetics, virtue ethics and design</i>	Helén Marton, Andrea Cuesta, Anna-Mia Myllykangas, Lindsay Simmonds and Ellinoora Rustholkarhu. <i>A Model for Regional Sustainable Circular Food</i>
11:30	Parallel session presentation 2	Natalija Fisher and Jenny Whyte. <i>Nova Agora: How an online platform deconstructs policy disputes to inform deliberative democracy</i>	Bridget Malcolm. <i>Introducing systemic design to support an Australian Government regulatory agency address complex problems</i>	Remko van der Lugt. <i>Open mind an open heart: Two approaches for exploring the dynamics in stakeholder networks in complex co-design projects.</i>	Paul Emmerson and Robert Young. <i>Design as Civics: A citizens' practical philosophy for making wise decisions that 'aim' for the 'good life' in our unsustainable era</i>
12:00	Parallel session presentation 3	Niloufar Gharavi. <i>Design With/For Now</i>	Manuela Aguirre, Janey Roh, Paulina Buvinic and Katalina Papic. <i>Co-designing cultures within public organizational systems</i>	Evan Barba. <i>Cognitive Point-of-View in Recursive Design</i>	Maulshree. <i>'The Design Ecosystem' - A systemic view towards design and society, in the Indian context</i>
12:30	Lunch				
13:30	Keynote Lecture	John Ehrenfeld			
14:30	Plenary lecture Praveen Nahar: In memory of Ranjan: The NID approach to Systemic Design				
15:00	Cafe break				
		Track 1 cont.: Democracy and participation	Track 5: Flourishing	Track 3 cont.: Theory and Methods	Track 6: Economy
15:30	Parallel session presentation 1	Giada Pezzi, Marco D'Urzo and Cristian Campagnaro. <i>Systemic design and social marginalization - Mapping and assessment of projects for the empowerment of people experiencing social exclusion</i>	Jyotish Sonowal and Peter Jones. <i>Reconceiving the Hospital as a Business for Flourishing</i>	Juan de La Rosa and Karolina Kohler. <i>Prototyping as a resource to investigate future states of the system</i>	Uttishta Varanasi, Deerga Joshi, Akshay Yadav, Kamana Marwah, Aparajita Tiwari and Praveen Nahar. <i>The Design of Design</i>
16:00	Parallel session presentation 2	Marie Lena Heidingsfelder, Florian Schütz and Martina Schraudner. <i>Who participates in participatory research and innovation?</i>	Marion Real and Iban Lizarralde. <i>Research-action applied to the design of a flourishing community dedicated to sustainable fashion in the Nouvelle Aquitaine region</i>	Brent Wellsch, Roya Damabi, Ben Weinlick and Aleeya Velji. <i>Capacity Building Through Community Building: The Story of the Systemic Design eXchange</i>	Franco Fassio, Claudio Ramonda and Alberto Tallone. <i>Circular Economy for Food - A systemic interpretation of the circular economy through the holistic view of the gastronomic sciences.</i>

16:00	Parallel session presentation 3	Michael Arnold Mages. <i>Designing for Civic Conversations</i>	Sharon Matthias and Jess McMullin. <i>Systemic Maturity Models and Multi-organization collaborations: the ACMHI Mentally Healthy Campus Maturity Model</i>	Hilde Opoku and Kristin Støren Wigum. <i>Storytelling as a driver for policy developments</i>	Joanna Boehnert. <i>Designing the Ecocene: Mapping the Political Economy of Design</i>
17:00	End				
17:30	Waterhole gathering				
19:00	Halogen Welcome Party				
Thursday	19th October 2017	Parallel 1	Parallel 2	Parallel 3	Parallel 4
8:00	Registration / Cafe				
8:30					
9:00	Keynote Lecture				
	Sabine Junginger				
10:00	Plenary lecture	Onny Eikhaug and Tom Vavik: Design for All			
10:30	Cafe break				
		Track 7: Urbanism	Track 2 cont.: Public Sector, social services	Track 3 cont.: Theory and Methods	Track 8: Pedagogy and Education
11:00	Parallel session presentation 1	Idil Gaziulusoy and Chris Ryan. <i>Imagining Transitions: Designing a Visioning Process for Systemic Urban Sustainability Futures</i>	Surya Teja Bachu, Aravind Ratheesh, Bharat Kashyap, Julia Andreyeva and Praveen Nahar. <i>Design for The Other Side: Prison Reforms through building resilience.</i>	Wouter Kersten, Jan Carel Diehl and Jo van Engelen. <i>Putting the horse in front of the wagon: how a multi-contextual design space successfully addresses complex challenges</i>	Birger Sevaldson and Linda Blaasvær. <i>Teaching Design for Democracy</i>
11:30	Parallel session presentation 2	Jeremy Bowes, Manpreet Juneja, Carl Skelton, Sara Diamond, Marcus Gordon, Cody Dunne, Davidson Zheng, Steve Szigeti and Michael Carnevale. <i>Visualizing the Sociotechnical System as an Urban Democratic Resource; the iCity case study</i>	John Darzentas, Helen Petrie and Jenny Darzentas. <i>Systems Thinking based Design intervention for Supporting Healthy Ageing / Ageing in Place.</i>	Andres Pineda, Ulrik Jørgensen and Erik Hagelskjær Lauridsen, <i>Sustainable System Design</i>	Corina Angheloiu, Laura Winn and Anna Birney. <i>The School of System Change: Designing a learning system as a system change endeavor</i>
12:00	Parallel session presentation 3	Christopher Pearsell-Ross. <i>Future Fest: a design concept for deliberative engagement in the urban planning process</i>	Sharon Matthias. <i>Wellness, Flourishing Societies and "Over the Horizon" Innovation of Policy and Policy Implementation</i>	Mieke van der Bijl-Brouwer. <i>The power of trust and motivation in a designing social system</i>	Eunki Chung. <i>Using Giga Mapping in Systems-Oriented Design Education</i>
12:30	Lunch				
13:30	Keynote Lecture				
	Karl Otto Ellefsen				
14:30	Plenary lecture	Kees Dorst. Design Beyond Design			
15:00	Cafe break				

		Track 9: Architecture and Urban ecologies	Track 2 cont.: Public Sector, social services	Track 3 cont.: Theory and Methods	Track 8 cont.: Pedagogy and Education
15:30	Parallel session presentation 1	Søren Sørensen (invited lecture) <i>Towards Embedded Architectures: Informed Non-standard and Information-based Design</i>	Heidi Dolven and Adrian Paulsen. <i>Finding the flex in complex public sector systems. Co-designing for services through systemic interventions</i>	Dario Toso. <i>Systemic Design Approach on Water Management</i>	Andreas Wettre and Birger Sevaldson. <i>Teaching Team Work in Systems Oriented Design</i>
16:00	Parallel session presentation 2	Matteo Lomaglio. <i>Encoded ecologies of the Venetian lagoon: A multi-scalar data-driven computational approach for dynamic environments</i>	Lyudmila Petrova and Cristian Campagnaro. <i>Design for social change: on new practices and organization models that foster knowledge transfers from design sector elsewhere.</i>	Ana Luisa Cavalcante and Francisco Fialho. <i>Systemic map to revitalizing local knowledge in autochthones communities</i>	Francesca Ostuzzi, Walter Dejonghe and Jan Detand. <i>Open-ended Design as Second-order Design. A case study of teaching Cybernetics and System Thinking to Industrial Design students.</i>
16:00	Parallel session presentation 3	Jeffrey Chan and Ye Zhang. <i>A Systems Framework for Designing of Urban Commons and Sharing Practice: Three Case Studies in Singapore</i>	Benedicte Wildhagen and Sissel Kristin Hoel. <i>Mind the gap! A Norwegian Trial Incentive Program to stimulate government agencies management resources</i>	Piotr Michura and Stan Ruecker. <i>Design as production of presence - systemic approach to re-designing novelty</i>	Adrian Paulsen and Manuela Aguirre. <i>Mapping the invisible: Co-designing with taboos and illegal systems as systemic design materials</i>
17:00		Christos Chantzaras			
17:30	End				
17:30	Waterhole gathering				
19:00	Conference Dinner at AHO				
19:00		PANEL: Peter Jones and Antony Upward: The Possibility for Flourishing: A planetary movement connecting Everybody to Everything.			
20:00	Party continues				
Friday	20th October 2017	Parallel 1	Parallel 2	Parallel 3	Parallel 4
8:00	Registration / Cafe				
8:30					
9:00	Keynote Lecture				
	Toshiko Mori				
10:00	Plenary lecture	Michael Hensel. The Right to Ground			
10:30	Cafe break				
		Track 7 cont.: Urbanism	Track 2 cont.: Public Sector and health	Track 3 cont.: Theory and Methods	Track 4: Systemic Design cases
11:00	Parallel session presentation 1	Adrienne Pacini and Helen Kerr. <i>Housing Horizons: Models for Real Estate and Community Investment</i>	Amina Pereno. <i>Systemic design towards user-centered sustainability in medical treatments</i>	Nenad Rava. <i>Policy design: The quality of democracy, and the sustainable development goals</i>	Maja van der Velden. <i>Design for living in the doughnut: the case of the mobile phone</i>

11:30	Parallel session presentation 2	Jotte I.J.C. de Koning, Emma Puerari, Ingrid J. Mulder and Derk A. Loorbach. <i>Landscape of Emerging City Makers: the case of Rotterdam</i>	Karianne Rygh. <i>Supporting co-design in complex healthcare systems through the affordances and metaphors of tangible tools</i>	Silvia Mata-Marin, Francis Carter, Dimeji Onafuwa, Ahmed Ansari and Dan Lockton. <i>Changing behavior of the systems we're in: Designing for transitions in Environment, Economy, and Democracy</i>	Jenny Darzentas, Helen Petrie, John Darzentas: <i>Employing Service Design and Systems Thinking Approaches as tools to support collaboration across a multi-stakeholder initiative: the responsible food consumption exemplar</i>
12:00	Parallel session presentation 3	Nihal Halimeh, Mahmoud Halimeh and Helen Avery. <i>Crafting futures in a Lebanese refugee camp: the Burj el Barajneh Souk</i>	Denise Philpott, Laura Halleran, Sonia Tagari and Windemere Jarvis. <i>The A.R.T. of the Waiting Game: Navigating Assisted Reproduction in Ontario, Canada</i>	Dino Karabeg and Fredrik Refsli. <i>The Paradigm Strategy</i>	Marie Davidová and Kateřina Zimová. <i>COLridor at Zvoňarka: Co-Design and Co-Living for Sustainable Futures</i>
12:30	Lunch				
13:30	Keynote Lecture Lucy Kimbell				
14:30	Plenary lecture	Ken Friedman (To be confirmed)			
15:00	Cafe break				
15:30	Closing lecture				
16:00	Closing procedure				
17:00	End				
17:30	Waterhole gathering				
19:00	DOGA farewell party				
20:00		Lou Yonqi, She Ji Journal, Tongji University			
20:30	Party continues
